VISIT WITH VOUCHER

New costumers that wish to use vouchers as a means of payment, need to send a voucher sample to the Vasa Museum for reference before the first visit with voucher. Please send the voucher sample to bokningen.vasa@smtm.se.

In order for a voucher to be valid, it needs to contain the following information:

The museum's name (The Vasa Museum)
Date of visit
Number of visitors
Type of service, for example admission fee
Company registration number
Invoicing address
Contact telephone number and e-mail address

Should changes be made at short notice, for example to the number of visitors in the group, these need to be made directly on the original voucher and signed by the group leader.

On arrival to the museum, a printed voucher is to be presented to the ticket office. The Vasa Museum charges a fee of SEK 250 for printing vouchers on site.

Invoicing occurs after completed visit, to ensure that the correct number of visitors will be charged. The Vasa Museum does not have the possibility to attach original vouchers or include copies of vouchers with the invoice. We recommend that you, if necessary, arrange your own copies of the vouchers.

Groups that pay admission fee with valid vouchers do not need to pre-announce their arrivals.

Invoicing occurs weekly and includes all visits during that period. Payment is required within 30 days of the invoice date. Should payment be missed or delayed, the museum reserves the right to deny visits with vouchers and will instead request payment by card on entry and at the regular admission price.

Visits with voucher are only for visits escorted by a guide or tour leader. There is no minimum or maximum number of people for visits with voucher.
